

## “Well excuse me but I think you’ve got my chair”

“The Chair” by George Strait

You may have noticed a few of the chairs in the bar have little brass plaques similar to this on them.

Where did they come from you may wonder? Well, many years ago, way before Shoreline’s brightly varnished entry faced the glorious setting sun, someone thought gee, how may we give every member the opportunity to be a special little part of the Club. The ‘chair’ sponsorship was born.

For a *nifty fifty bucks*, you may have the name of your boat, yacht or dinghy, affixed to a chair. The newest chairs in the dining and meeting room are currently available for your personalization.

Don’t be the only one singing “that wasn’t my chair after all.”
